Happy customers

As one of the leading interior design companies in the region, we have established ourselves with a strong presence in various countries such as Oman, UAE, India, and Italy. Our team of highly skilled and creative professionals is dedicated to providing exceptional design services to our clients, with a focus on attention to detail, functionality, and quality.

Our services include full design-and-build services for residential, hospitality, commercial, retail, and F&B projects. We also specialize in high-quality furniture manufacturing as well as glass and aluminium product fabrication, turnkey fit-out works including wood cladding and integrated cabinetry, and specialty services in modular units fit-out.

In addition to our interior design services, Raaz Design also offers branding and graphic design services to our clients. Our team of experts can help you create a strong brand identity that reflects your company's values and mission. We can work with you to develop Social Media Channels, and a complete marketing materials that will help you stand out in the market.

Welcome to the world of Raaz Design Studio, where elegance, sophistication, and timeless design come to life in every space.

OUR SERVICES

Raaz Design pays a close attention to every detail in order to create stunning interiors and also match client's branding vision.

We prioritize designs that improve practicality, functionality, as well as aesthetics of the space.

Clients are involved throughout the design process to ensure the final outcome aligns with their dreams, in terms of both design creativity and branding.

OUR BELIEFS

Our unique designs reflect the strength of our ideas and futuristic outlook, which are an integral parts of our comprehensive business model.

At the heart of our work lies our people. We prioritize innovation, creativity, and client relationship to bring dreams to life and turn ideas into reality.

As members of this society, we recognize our obligation to our community, our clients, and the environment. We strive to be a driving force for their betterment.

WORK PROCESS

Here's how we do it

STEP 1

- Project Planning
- Layout Plans

STEP 2

- 3D Design Renders
- Detailed Interior, MEP & Civil Drawings

STEP 3

- Work Schedule
- Quotation Submission

STEP 4

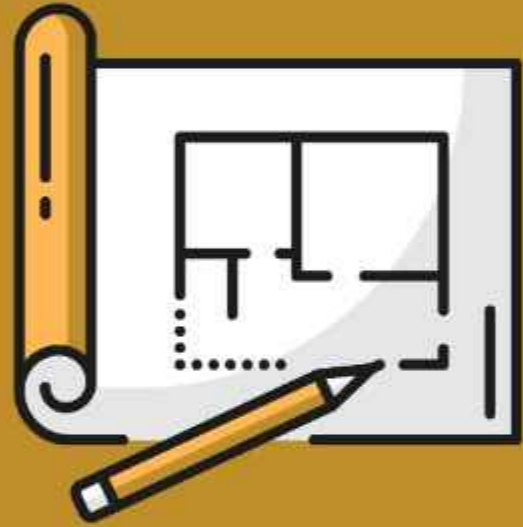

- Project Completion
- Handover

STEP 5

- Client Approval

WHAT WE DO

PROJECT PLAN

We comprehend your requirements and create a layout design map based on your specifications.

QUOTATION

As part of our process, the finance team creates a budget and uses it to generate a quotation for you.

BUILD

Our experts then work diligently to bring your vision to life while paying attention to every detail.

HANDOVER CLIENT REVIEW

After thorough inspection, we move forward with the review and handover process.

Raaz Design: Enhancing Your Branding Strategies

At Raaz Design, we are committed to improving your brand awareness through our expert branding strategies. Our approach has led to numerous successful campaigns for a variety of brands we have collaborated with. We conduct extensive research to offer you the best possible outcome based on your specific needs and preferences. Our branding packages range from silver to gold and platinum to ensure we meet your requirements.

We believe that effective branding can help your business stand out in a crowded market. Our team of experienced designers and branding experts work closely with you to understand your brand values and goals. We use this information to develop a unique and memorable brand identity that resonates with your target audience.

Our branding packages include a range of services to help enhance your brand, including logo design, brand messaging, website design, social media branding, and more. We work with you every step of the way to ensure that your brand is consistent across all platforms and channels.

At Raaz Design, we understand that every business is unique, which is why we offer customizable branding packages to meet your specific needs. Whether you're a startup looking to establish your brand or an established company looking to refresh your brand identity, we have the expertise to help you achieve your goals.

Let us help you enhance your brand and take your business to the next level. Contact us today to learn more about our branding services!

H.S.E POLICY

Our Policy is dedicated to take utmost care of the health and safety of its staff and workers, employees, sub-contractors and other persons who are associated in various projects undertaken by us.

Foremost importance is given to the protection of environment, prevention of pollution and improving efficient use of natural resources. Ensuring the safe operation and implementation of safety measures in all projects.

Raaz Design vows to fully comply with the statutory requirements and laws of Sultanate of Oman, especially in all those areas where close coordination is required with the statutory organizations.

We ensure that this policy is achieved by company strategies and action plans through visible management, commitment and active contributions by all staff members, associates and sub-contractors.

We aim to achieve the following:

Health, Safety and Environment Protection forms an integral part of our business.

Always to remember "Prevention is better than cure" and all accidents are preventable.
